ERA OF STEAM ENGINES (PAPERBACK)

Lulu.com, United Kingdom, 2010. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Steam supreme. There are lots of railwaymen, who have departed from this world, and many are still alive, however very few have written about their experiences as employees while working for the Western Australian Government Railways. These incidents laughable or sad would be lost forever. The age of steam running supreme has vanished but the memories live on in the minds of men and women who worked in this steam-era. This book details what it was like to be one of those people; working diligently in this era, making many permanent friends for life and enjoying working steam and diesel locomotives.
