

Great Civil War Projects You Can Build Yourself

By Maxine Anderson

Nomad Press (VT). Hardcover. Book Condition: New. Hardcover. 128 pages. From periscopes and lean-to shelters to uniforms and regimental flags, this interactive book explores the history and inventions of the Civil War through building projects and activities. Finished products include a set of Civil War drums, secret codes, and homemade paper with berry ink. Detailed step-by-step instructions, diagrams, and templates for each project are interspersed with historical facts, biographies, anecdotes, and trivia about the real-life models. Most of the building can be done using simple household supplies such as construction paper, tape, markers, glue, cardboard tubes, string, yarn, aluminum foil, and cardboard boxes. This new edition celebrates the 150th anniversary of the American Civil War with substantially revised text and updated activities. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Otis Wisoky**

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
