

## New Masters of Flash: The 2002 Annual

Filesize: 4 MB

### Reviews

*This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.*

*(Juliet Mertz)*

## NEW MASTERS OF FLASH: THE 2002 ANNUAL

friendsofED. Paperback. Book Condition: New. Paperback. 500 pages. Dimensions: 9.6in. x 7.5in. x 1.3in. Flash has upped the standard for web motion graphics and has been welcomed with open arms on account of its powerful new ActionScripting capabilities. Following the phenomenal success of New Masters of Flash, the Flash Annual will bring together a new collection of the hottest Flash design talents on the planet, all of whom have grabbed attention in the preceding year. New Masters of Flash: The 2002 Annual gives competent web artists inspiration for cutting-edge Flash design techniques, as well as hard tutorial information on how to build top class effects. The format builds on the best of the original best-selling title while improving in areas where the first volume was weaker, (e. g. generic customizable code examples), while the talents, the inspirations and effects are all of the moment and represent the mature and expert deployment of the staggering new capabilities of Flash 5 ActionScript. The Flash Annual format: The Intro is a series of 3 field-report essays written by key New Masters from the previous year covering new talents, new techniques and new trends. The main body of the book is then an evolution from the original format. This time, as well as the inspiration and tutorial sections, we add a third section to each chapter, headnotes. Part summary, part chapter commentary, part code overview, the Headnotes section teases out the reusable and generic elements of the previous tutorial and suggests ways forward for the reader. What you'll learn Who this book is for Web artists with experience in the Flash environment, and who know some ActionScript. Aspiring designers looking for inspirations and direction from industry leaders. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
