KEY TO HIGH SCORES ON STANDARDIZED TESTS

To read **Key to High Scores on Standardized Tests** eBook, remember to refer to the link under and download the document or get access to additional information that are in conjunction with KEY TO HIGH SCORES ON STANDARDIZED TESTS ebook.

Wellington Press. Paperback. Book Condition: New. Paperback. 180 pages. Dimensions: 10.7in. x 8.2in. x 0.6in. Key to High Scores on Standardized Tests is based on the logic used in test development. Test compilers use pools of questions, each of which is based on a different principle of logic. Each chapter starts with questions based on the simplest principles and builds up to the most difficult, which makes this text an enjoyable challenge. After a sample question, the relevant principle of logic is introduced, and this is followed by practice questions. Students using this text to prepare for the ACT, SAT, GRE, LSAT, and other standardized tests say it is more useful than courses that cost hundred of dollars. Unlike courses that cover test taking skills, this text also covers the actual intellectual skills that the standardized tests cover. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
