Bryan, and report of the Treasurer, Miss Margaret T. Crimmins, and other statistical information. In the annual report of 1933 certain specific recommendations were made leading to improvements which would improve the situation at this hospital so far as fire risk is concerned. Since that report was made certain changes have been brought about which have taken care of some of these matters. The work of rewiring the hospital was begun during the present year, also the replacement of wooden staircases by fireproof construction. Your board again calls attention to the desirability of beginning a program of replacement of wooden floors in the institution which would make the building fireproof throughout. There is also the imperative need of an adequate fire alarm system in order to permit proper organization...
