## THE JOYS OF SOCIALISM: ONE FAMILY S ADVENTURE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*."Further research showed, that since 2011, individuals earning more than 250.000 (\$272,955) per year and couples earning 500.000 (\$545,872) per year are no longer eligible to receive Kindergeld [money from the government to help raise children]." Are we, in the USA, really sure we want to move toward Socialism? Do we really understand what it means? The Joys of Socialism chronicles one familys adventure into European Socialism. It is by no means meant to be an exhaustive study on the differences between socialism and free market capitalism. It does, however, highlight some major differences. This book is intentional in its purpose; to make the reader think about such issues as health care, education, religion, taxes (Is there such thing as a free lunch?), and basic freedoms. The differences are enormous. You will have to read it to believe it!.
